Dear Prof. Poynting

suppl. p. 400, 401, 402

Thanks for

the copy of your paper on the
Temperature question, which I
have read with great interest,
and can follow the reasoning
better than in your first
MS.

I hope Johnstone-Stoney's
calculations are right. I had
his paper, but have mislaid it.
My impression was, that all
his calculations were ^{based on} ~~the~~ the
